FIRE SAFETY CLEARANCE

(Fireworks Exhibition)

TO WHOM IT MAY CONCERN:

By virtue of the provisions of RA 9514 otherwise known as the Fire Code of the Philippines of 2008 and its Implementing Rules and Regulations (IRR), this FIRE SAFETY CLEARANCE for **Fireworks Exhibition** is hereby issued to W.AQUINO FIREWORKS / APRIL 12, 2025, owned by Winson S. Aquino with business address at Club Punta Fuego / Terrazas Beach Club, Balaytigue, NASUGBU for the fireworks exhibition to be conducted at - from to be supervised by -

This Clearance is issued on condition that the following requirements provided for under Section 10.4.6.7, Division 6, chapter 4, Rule 10 of the Fire Code shall be strictly comply by the owner and his/her designated and authorized operator and personnel before, during and after fireworks exhibition, to wit:

- A. That fireworks be fired at a distance of at least 100 feet away from people, storage of combustible or flammable materials/liquids/gas, and building/structure/facility;
- B. That if it is done in a vacant lot or place, ensure no weeds/grass/trash or other materials that will ignite or burn because of fireworks exhibition;
- C. That all fireworks shall project upwards;
- D. That a responsible person of at least 21 years of age with adequate knowledge of handling fireworks shall be assigned to operate and supervise the fireworks exhibition;
- E. That two (2) units of operational 20 lbs. capacity dry chemical fire extinguishers and one (1) drum of water with four (4) pails shall be on hand/available at the site during the fireworks exhibition;
- F. That there shall be a medical attendant equipped with a first-aid kit (especially burn ointment), a spine board, and an emergency vehicle available at the site;
- G. That the personnel in charge shall have the contact numbers of the fire and police station having jurisdiction and notify them in advance before the actual start of the fireworks exhibition;
- H. That in case of failed fireworks (that did not explode), proper disposal/handling shall be an immediate concern and addressed by the operator;
- I. That the operator shall inform the Fire Station having jurisdiction before leaving the place of the fireworks exhibition.

Violation of the Fire Code provisions shall ipso facto cause this CLEARANCE null and void, and shall hold the owner and his/her installer/contractor liable to the penalties provided for by the said Fire code.

NOTE: "This Clearance is accompanied by Fire Safety Checklist and does not take the place of any license required by law and is not transferable. Any change or alteration in the design and specification during construction shall require a new clearance"
